FULL STACK DEVELOPER

As a Junior Developer, I am eager to apply my skills in JavaScript, Python, HTML, CSS, React.js, and Django to contribute to software development. With experience in MySQL, basics of Java, Git, and modern development tools, I'm passionate about learning and building solutions while collaborating in a team environment.

TECHNICAL SKILLS

Frontend HTML, CSS, JavaScript

Backend Python, Django

Databases My SQL **Version Control** : Git

Tools Visual Studio Code, PyCharm, Eclipse

EDUCATION

Secondary School Certificate (SSC)

ZPH School, Peddavaram

 Diploma in Mechanical Engineering Amrita Sai Institute of Science and Technology

• Bachelor of Technology in Mechanical Engineering

Amrita Sai Institute of Science and Technology

[2017] GPA: 7.2

[2020] Percentage: 68 %

[2023] GPA: 7.1

PROJECTS

Source Code Project's

- Designed and developed a responsive website to show- case projects and skills. Technologies Used: HTML, CSS, JavaScript and basics of React Achievements: 1. Improved understanding of front-end development and design principles. 2. Gained hands-on experience
- Developed a simple calculator application using Python. Technologies Used: Python Key Features: Supports basic arithmetic operations like addition, subtraction, multiplication, and division. User-friendly command-line interface. Utilized responsive design to ensure compatibility across all devices
- Created a program to generate secure random passwords. Technologies Used: Python Key Features: Generates passwords with customizable length and complexity. Ensures the inclusion of letters, numbers, and special characters for enhanced security
- Designed and implemented a database system for managing hospital operations. Technologies Used: MySQL Key Features: Managed patient records, doc- tor schedules, and appointment bookings. Implemented CRUD (Create, Read, Update, Delete) operations for various entities. Ensured data integrity and security. Gained practical experience in database design and management

CERTIFICATIONS

Master Python Programming: From Basics to Advanced
